August 30, 2021

Dear Brothers and Sisters in Christ,

As Christians, we are all too aware that we live in a broken world. Few things epitomize this brokenness more than the practice of human trafficking. The Christian church has long been in the vanguard in the fight to abolish this wretched institution. This was true before the founding of our nation. It is true today.

Peace Memorial Evangelical Presbyterian Church is partnering with the Klamath County Task Force on Human Trafficking to present a community awareness event, "Human Trafficking 101." The event will be held Wednesday, September 15, 2021 at 7:00 pm at 4431 South Sixth Street. The presentation will run about an hour long and will include time for questions and comments. Following the presentation, we will have a gathering time with light refreshments so attendees can decompress, network, ask further questions, or simply get to know their fellow soldiers in this battle.

We hope many from your congregation will be join us to learn how we can, as Christ's army, be better equipped to combat this evil.

May God's peace and blessings be yours.

Together in Christ's service,

The Congregation of Peace Memorial EPC

HUMAN TRAFFICKING

101

*A community training presented by members of
the Klamath County Human Trafficking Task Force*

We'll talk about

Myths & misconceptions

Learning to identify human trafficking

What to do if you suspect human trafficking

All are welcome!
