

Isn't the Bible a Myth?

Outline

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness." 2 Timothy 3:16 (NIV)

"Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him. ¹⁶ He writes the same way in all his letters, speaking in them of these matters. His letters contain some things that are hard to understand..." 2 Peter 3:15-16

I. The Bible Has Been Corrupted.

"The last foundation for any doubt that the Scriptures have come down to us substantially as they were written originally has now been removed. Both the authenticity and the general integrity of the books of the Bible, especially the New Testament may be regarded as finally established."

~Sir Frederic Kenyon, former director and principal librarian of the British Museum

II. The Bible is Full of Contradictions.

III. The New Testament was Made Up.

IV. The Bible is Full of Myths and Legends.

"In the fifteenth year of the reign of Tiberius Caesar—when Pontius Pilate was governor of Judea, Herod tetrarch of Galilee, his brother Philip tetrarch of Iturea and Traconitis, and Lysanias tetrarch of Abilene—during the high priesthood of Annas and Caiaphas, the word of God came to John son of Zechariah in the desert." Luke 3:1-2

V. Science Has Shown the Bible Can't Be Taken Literally!

"The work of God is this: to believe in the one he has sent." John 6:29
